

2017
International Summer School

AUTOMOTIVE ENGINEERING AND MANAGEMENT

July 10-28, 2017

Technische Hochschule
Ingolstadt

DAAD

THIS SUMMER HAS A LOT OF HORSE POWER!

The International Summer School "Automotive Engineering and Management" at Technische Hochschule Ingolstadt offers you lectures and practical sessions in the fields of automotive engineering, study trips to high-performance companies and a lot of social and cultural activities.

HIGHLIGHTS:

- Three weeks in the automotive centre of Bavaria, at an equal distance from the German cities of Munich, Nuremberg and Regensburg;
- Lectures and practical sessions in the fields of automotive engineering and management;
- One week of intensive German course (A1)
- Focus on mobility and new research trends in automotive engineering;
- Communication and networking with excellent professors with long-term industry experience and with leading experts from the automotive industry;
- Study trips to high-performance automotive companies in the region (e.g. AUDI, BMW, EDAG, AIRBUS DEFENCE & SPACE);
- Social and cultural activities including city guided tours (Ingolstadt, Munich, Eichstätt), museum visits (AUDI, BMW, PORSCHE, MERCEDES), networking events and leisure activities.
- Workload: 6 ECTS

Date: July 10-28, 2017

Costs: 250 EUR (incl. tuition fees, German course, lectures, excursions, cultural programme, social events)

Registration period: February 1 - March 31, 2017
