

# Business Source Premier

## Economy

### What can I find in Business Source Premier?

- The database contains full texts and references from articles published in leading global science journals in the field of management and marketing.
- In addition, you can look for company information in Business Source Premier under **Company Profiles**.

### How can I access Business Source Premier?

- Go to the library's website:  
<http://www.thi.de/en/service/university-library/information-resources/databases.html>
- Select **Business and Management** → **Business Source Premier**.

### Full text / Availability

- Most of the texts are available as PDF-files:  [PDF Full Text](#)
- Failing this, you can check the availability in the catalog of the Library of the Technische Hochschule Ingolstadt by using . For this purpose, click the  button.
- If you cannot find anything in the THI portfolio, you can carry out an interlibrary loan.

### Tips

- Use the **Help** or  button for further explanations on using the database.
- **Tip:** Business Source Premier is like Academic Search Elite part of EBSCO Host. The databases use the same user interface. Select your desired database using **Choose Databases**.
