Footnotes

1) The grades for the Master's thesis and the colloquium (presentation and discussion relating to the scientific results of the Master's thesis, 15-45 minutes) are weighted at a ratio of 4:1. An overall grade is awarded. If the Master's thesis is completed in an external company, the colloquium may also be completed in this company.
2) The oral presentation must be given during the semester.
3) The respective compulsory elective courses are determined by the Faculty Council in the module handbook. The name of the selected module appears on the transcript of records.

Type of course S

Seminar
SU Seminar lessons
Ü Exercise
SU/Ü Seminar lessons with exercise

Exam types

written exam Written examination The written examination is a written exam lasting 90-120 minutes, unless explicitly otherwise.

mdlP Oral examination The oral examination is an interview lasting 15 minutes per person, unless explicitly stated otherwise.
