4. The application documents must be accompanied by proof of the individual achievements as well as the final grade or the current grade point average. It is not sufficient to simply list the achievements without stating the (current) grade point average. The application documents can be accompanied by proof of an internship or professional experience in the start-up/foundation environment.
5. If the overall examination result is calculated differently from the German grading system, the modified Bavarian formula for converting foreign examination results is applied:

$$x = 1 + 3 \frac{N_{max} - N_d}{N_{max} - N_{min}}$$

x= Searched note
N_{max}= best achievable grade in the foreign grading system
N_{min}= worst grade for passing in the foreign grading system N_d = grade to be transformed into the German grading system

6. If ECTS points are not stated in the transcripts, the award points is based on the number semester hours completed.
7. Support of the procedure determining programme-specific aptitude through a curricular analysis of parts 2.1-2.4, which is carried out by the applicant in self-assessment and signed and submitted (cf. § 4 para. 1c).
