

Assignment by the Commission: Motivation Letter

Applicants are required to prepare a motivation letter of no more than one page (A4 or letter format) addressing the following topic:

“Why do you wish to study Sustainable Civil Engineering at Technische Hochschule Ingolstadt (THI)?”

In this motivation letter, applicants are expected to clearly and coherently outline their reasons for choosing the Bachelor’s programme in Sustainable Civil Engineering at THI, Campus Neuburg, and to demonstrate their academic interests, personal motivation, and suitability for the programme.

The motivation letter must not exceed 500 words.

The document is to be submitted in PDF format.

Please note: The submission of AI-generated motivation letters is strictly prohibited.
