Estimated average costs per student in a Bachelor's programme at Technische Hochschule Ingolstadt

The following table provides an overview of the semester fees and the average monthly costs. Please note that this is only a rough estimate; actual costs may vary.

Item	Amount
Student union fee	82 € per semester
Tuition fee	800 €[1] per semester
Food, health insurance, leisure activities	500 € per month
Rooms in private housing including utilities	600 – 1000 € per month
Rooms in student dormitory including utilities	400 - 600 € per month
Internet and Mobile Network	25 € per month
Urban transportation (Deutschlandticket for students)	47 € per month

Please check the study and examination regulations for your degree program to find out how long the standard period of study is.
