

Information related to fee structure of international Master programs

(Automotive Production Engineering, International Automotive Engineering and Renewable Energy Systems, Retail and Consumer Management)

The student union fee is 42 € per term, transferring the amount is one of the preconditions for enrolment. The necessary bank account details are stated in your letter of admission, please make sure you exactly use the purpose of payment that is mentioned there, as this section ensures correct assignment.

Please note: the student union fee for the next semesters will be booked from your German bank account via direct debit. Therefore please keep in mind to enter your German bank account details in the PRIMUSS student's portal after enrolment.
